VECTOR Productions Inc., is a project by artists Javier Barrios and Peter Gregorio. The entire company is to be defined as an Artwork. It's propose is to spread the ideas and work of visual artists around the world. We believe passionately that the power of the Artist's Vision is a driving force of an evolutionary change in attitudes, in ideas, and in culture, which must be enhanced to challenge and inspire the world. Our mission is to build a database of knowledge; online, in publication, through events, exhibitions, and lectures.
